

*"A kiss that is never tasted,
is forever and ever wasted."*

Billie Holiday

*"A kiss that is never tasted,
is forever and ever wasted."*

Billie Holiday

*This year I designed two sets of Valentines
inspired by remarkable creative women in
history. Edmonia Lewis was an incredible
sculptor and Billie Holiday was one of the
voices of a transformative era.*

*I hope that you enjoy making your own
Valentines using these designs and that you
enjoy spreading the spirit of friendship and
love this Valentine's Day!*
